

Where it's all about the food...

O'Leary's Kitchen Smörgåsbord

Delicious sliders can be made from all three meats

Smorgasbord (Buffet)

Guests can help themselves from a range of hot and cold foods laid out for their choice. Enjoy both a cocktail party and a dinner party all in one. No leaving the cocktail hour to move on to another room.

O'Leary's Kitchen has put together a smorgasbord of foods on a buffet line that is perfect for any event.

The menu meets the criteria of a free flowing cocktail hour and dinner all in one without long buffet lines.

Your guests can comfortably enjoy a full dinner and or, tasty bites of a varied menu throughout the evening.

The rustic and hearty buffet line will feed the hungry guest beyond satisfaction. It will also satisfy grazers and light eaters.

There will be a Chef's Carving Station at the Beginning of the Buffet Line. The Chef will explain the buffet line to the guests, *"eat what you like when you like, and don't go home hungry"*.

The buffet will go on for 2 hours. It will be kept fully stocked for the first hour. The second hour will be determined on the night.
